REPLY TO NOTICE OF NON-COMPLIANT AMENDMENT UNDER 37 CFR 1.121

Responsive to the Notice of Non-Compliant Amendment dated March 22, 2005 and having a shortened statutory period for responding expiring April 22, 2005, please find the "Amendment to the Claims" section for the above referenced application.

Applicants have now included the text of all pending claims, including withdrawn claims. Additionally, Applicants have corrected the incorrect status identifiers to the proper claim status identifier (e.g. "Previously Amended" is now "Previously Presented").

As requested, ONLY the corrected sections have been submitted in their entirety (e.g. the Amendment to the Claims). Thus, the "Remarks" section of amendment filed on March 14, 2005, has not been re-submitted, but should be considered as part of the Amendment.

Respectfully submitted,

*T. Ling Chwang*
